to study, and he ought to have come here fully prepared before he opposed the same.

Mr. A. S. Harihara Ayyar.—Remarks hold good if I exceed my time. In Hindu Law, marriage is not performed as a sort of conjugal pleasure.

Mr. A. B. Salem.—Is it not one?

Mr. A. S. Harihara Ayyar.—Marriage is being done for *Dharmaprajasampatiartham.*

Mr. A. B. Salem.—It is all in olden days.

Mr. A. S. Harihara Ayyar.—Thereby one Hindu can marry as many wives as possible to get children. (*Laughter.*)

Mr. M. K. Raman.—Marry 16,000 wives!

Mr. A. S. Harihara Ayyar.—But here it is strictly made that a man should marry only one wife. The object of marriage is to get good children. Suppose a man married one wife and he did not get children. He can marry as many wives until he gets children.

Another provision is that widow marriage is being allowed. On no account is a married lady entitled to remarry.

Provision that the creditor of a coparcener can follow his assets after his demise is revolting and defeats the law of survivorship. For these reasons I oppose.

Dr. A. R. Menon.—Would it not be better for the Hon'ble Member to come prepared with the Bill and then speak instead of wasting the time of the House?

Deputy President.—The question before the House is that leave be given to Mr. C. A. Kunjunni Raja to introduce the Cochin Hindu Bill.

Question put and agreed to.

5. Prevention of Dangerous Diseases Bill.

Deputy President.—The next is Mr. K. T. Mathew's Prevention of Dangerous Diseases Bill.

The Member being absent, the motion was considered withdrawn.

6. Adjournment motion.
